

## Crudwell Pre-School

### Daily Routine

- 9.15am **Children arrive.** This gives staff and parents time to pass any important information on and the children have a chance to pick an activity.
- 9.30am **Circle Time** and songs.  
  
We take the register, change the calendar, pick a helper and talk about the activities we are going to do.
- 9.50am **Activities** both adult lead and free choice. The hall and outside area are set up with the activities, providing a range of child led and adult initiated experiences.
- 10.30am **Snack Time**, we provide a healthy snack which is listed on the planning sheets in the hall and milk or squash.
- 10.45am **Outside Play.** The outside area is available most of the day but this is the time an outdoor activity may be led by an adult.
- 11.45 am **Lunch** followed by puzzles, jigsaws or games. Children bring a packed lunch which is eaten with their friends and staff. This is a good time for chatting and seeing what they would like to do after lunch.
